No Solution in Memphis Garbage Strike

MEMPHIS (AP)—The Memphis City Council, with the threat of a mass demonstration hanging over its head, met today to seek a solution to the city's 12-day-old garbage strike.

The council's Public Works Committee came out favoring union demands Thursday after a sit-in by striking sanitation workers.

In a late night news conference, union leader William Lucy said if the council okays the committee report, he will recommend to 1,300 men off the job that they return to duty.

Lucy spoke at a meeting called by an organization dubbing itself "concerned Citizens for Sanitation Workers."

The Rev. Gilbert E. Patterson, speaking for the group, said, "We call upon all of the people of the community of sympathy and concern to make themselves available to say with their bodily presence at City Hall at 3:30 p.m. . . they too support these men in their effort."

The Public Works Committee, headed by Councilman Fred Davis, held a hearing Thursday on such issues as union dues

Blames U.S. for War in the World

By JOHN WEYLAND
Associated Press Writer
MOSCOW (AP)—Communist party leader Leonid I. Brezhnev declared today the United States is the main cause of war in the world and pledged that the Soviet Union will build up its armed forces.

He lashed out at the "criminal, dirty war in Vietnam."

Brezhnev spoke at a special Kremlin meeting celebrating the 50th anniversary of the Soviet armed forces. It was attended by other Soviet leaders, including Premier Alexei N. Kosygin and President Nikolai V. Podgorniy and defense ministers of various Communist countries.

Brezhnev accused the United States of "creating centers of tension in different regions of the world" and called it "the main force of war."

He told an audience of 6,000 in the Kremlin Palace of Congresses that in view of this the government "considers it its sacred duty to strengthen the defense capacity of the Soviet Union in all possible ways."

Brezhnev cited no figures but he asserted the Soviet army has "the most modern rockets and nuclear weapons."

Brezhnev, reading congratulations from the Communist party and government to the armed forces, made no mention of efforts to bring peace to Vietnam. He also avoided going into other current causes of international tension.

The Soviet leader made his speech after flying back today from a meeting of East bloc leaders in Prague, where increased unity was urged for the Communist movement.

The Soviet government celebrates the anniversary of its armed forces on Feb. 23 to mark the battle at Pskov outside Leningrad in 1918. This was the first time that the newly created Red army fought a regular engagement.

50,000 Guards (from page one)

leaked out as the chief's chairman, Gen. Earle G. Wheeler, arrived in Vietnam after an unannounced flight from Washington, Jan. 15, expected to last several days.

Wheeler told newsmen in Saigon his purpose in making the trip was to get first-hand information on the war's course—information that presumably would include future troop requirements.

President Johnson has said the United States will up its troop ceiling—now set for 525,000 by July 1—if a larger force is needed.

A number of high-ranking members of congressional committees dealing with military affairs have recently bemoaned what they say is a reduction to dangerously low levels of forces based in the United States.

Such forces, ostensibly for use in emergencies that might arise around the world, were further reduced by last week's presidential order sending 10,500 Army paratroopers and Marines to Vietnam on a speeded-up deployment basis to meet a Westmoreland request.

In another Vietnam-related development, Robert S. McNamara speedily accepted Sen. J. W. Fulbright's request to make public the secretary of defense's full congressional testimony on the Gulf of Tonkin incident.

The father of Moses was Amram and his mother was Jochebed.

TWIN CELEBRITIES, 4-year-old Lori and Lisa Yauch are 1968 National Easter Seal children. The twins, daughters of Mr. and Mrs. Gail Yauch of Detroit, will join Campaign chairman Dinah Shore at the White House to help launch the 1968 Easter Seal Campaign, March 1-April 14.

Obituaries

L. E. SALISBURY
Lawrence E. Salisbury, 81, longtime Hempstead resident, died Thursday at his home on Hope Rd. 3.

Surviving are his wife, Mrs. Virgie Salisbury; three sons, Edwin of Garland, Texas; Homer and Charles Salisbury of Hope; a daughter, Mrs. Bernice Slegrest of Miami, Okla.; a sister of Caldwell, Idaho. Herndon will announce arrangements.

Campaign for Congress Is Started

MARIANNA, Ark. (AP)—Marianna Mayor Clyde Andrews kicked off his congressional campaign here Thursday night before about 600 supporters by criticizing Congress.

Andrews chided the Congressmen for what he said was a failure to reduce spending for non-essential domestic programs.

Andrews, who is running for the first congressional district seat currently held by E. C. Gathings, also labeled inflation the No. 1 domestic problem in the country.

Gathings has said he will not seek re-election.

Teachers Deny They Will Return

TALLAHASSEE, Fla. (AP)—Florida's statewide walkout by teachers ended its first week today with one third of the state's schools still closed.

However, Gov. Claude Kirk told a rally in Jacksonville Thursday night, "at the moment we're winning . . . I have to report most of the teachers are going back."

Florida Education Association leaders labeled the reports that teachers were trickling back to their desks as "deliberate rumors to try and break the teachers and frighten them back."

The FEA officials said the 24,000 teachers reported now idle would stay off the job and that their actions were gaining support.

A week ago today, the legislature, meeting in a special session, passed a \$254.5 million education package. The teachers were not satisfied with it and notified the state they would not show up for work Monday.

In other developments: The Bay County School Board voted to accept the resignations of 345 of its teacher force of 750.

Palm Beach County school officials told its 1,275 "off-duty" teachers to return to the classroom Monday or face acceptance of their resignations and loss of their teaching certificates for one year.

In Miami, Circuit Court Judge Ray Nathan issued an injunction restraining the Dade County Classroom Teachers Association from acting to bring about a work stoppage.

Says Graveyard at Prison No Secret

EL DORADO, Ark. (AP)—Former Prison Supt. O. E. Bishop said Thursday that almost everyone at Cummins Prison Farm knew about a graveyard at the prison where three human skeletons were discovered Jan. 29.

Bishop, who resigned last Jan. 1 after two years as superintendent, said he felt the recent report by the deputy state medical examiner cleared up any questions concerning the unearthing of the three skeletons.

Dr. Rodney F. Carlton said in his report that he doubted any of the three persons had died violently. The discovery of the bodies touched off various reports by inmates, and former inmates, that prisoners had been killed and secretly buried at the prison.

Bishop told the El Dorado Civilian Club that he knew the site was nothing but a graveyard.

Bishop also said that the difference between Prison Supt. Thomas O. Murton and himself was only philosophy. Bishop said Murton believes that prisoners should be made to want to work. He said he believes the inmates should be made to work.

Bishop also said that he instituted many improvements while superintendent, but that these were never reported. He said the Arkansas Gazette, the Arkansas Democrat and the Pine Bluff Commercial had presented distorted views of the prison system.

Six-Member Jury Panels Being Tried

HARRISON, Ark. (AP)—Circuit Judge Joe D. Villines says he has been experimenting with six-member juries, instead of the standard 12-member panel, and is convinced the smaller panel could be used in small lawsuits.

Villines said Thursday he had used the six-member jury in a small damage suit last week and that he planned to experiment with the smaller panel whenever possible. He said most states allow six or eight-man juries.

Villines said it was difficult to get enough good people for 12-member panels and that fewer persons would have to be called for jury duty on small lawsuits.

"In this case we called 12 persons," he said, "otherwise, we would have had to call 30. I'm not saying that people who aren't busy don't make good jurors, but I'd rather have persons who are busy-businessmen and such."

Villines said he would be in favor of legislation approving the use of six-member panels for civil cases in which \$1,000 or less is involved.

Pitchfork Used in Robbery

FRANKENTHROST, Mich. (AP)—Police are searching for two men who used a pitchfork in an attempt to rob a tavern owner, Arnold H. Heidenberger said at first he was unsure whether the incident was a joke but then he grabbed for the pitchfork and it got away from one of the men. The pair fled, empty-handed.

No Details on Injured Prisoner

TUCKER PRISON FARM, Ark. (AP)—Asst. Prison Supt. Robert Van Winkle said today a 32-year-old inmate came staggering to the front of the barracks at Tucker Prison Farm about 5 a.m. today and told authorities he had been hurt.

Van Winkle said the inmate, David Everett, declined to talk with prison officials about how he was injured.

Van Winkle said Everett was sent to the Medical Center at Little Rock. He said hospital authorities had reported that Everett would be all right.

There were reports that Everett had suffered from four stab wounds, two in the back and two in the abdomen, but Van Winkle would not confirm or deny this.

Spa Gambling Raids Bring 24 Arrests

HOT SPRINGS, Ark. (AP)—State Police and the Garland County Sheriff's Department carried out an early morning gambling raid here today, arresting 24 persons.

State Police Director Col. Carl Miller said 25 persons were arrested, but Sheriff Bud Canada said later today that two men were charged with operating a gambling house and 22 with gambling.

The raid was carried out on a search, seize and destroy warrant issued by Circuit Judge Henry Britt, and "was an added step in the crackdown on illegal gambling," Canada said.

State Police said a dice table, a poker table, a blackjack table and a bar set were confiscated in the raid, Canada said all of the equipment was burned this morning.

Canada said F. E. Williams and Eugene "Bones" Martin, both about 45, and both from Hot Springs, were charged with operating a gambling house and released under \$1,500 bail each. Canada said the others charged were fined \$32.80 each.

The "private dwelling" that was raided was located south of Hot Springs just outside the city limits.

REP. MILLS (from page one)

fighting the payments balance. Mills has pointedly told the administration to hurry up.

The question now worrying administration strategists is whether Mills will insist on stronger measures than the U.S. trade negotiators would recommend as part of the package with some form of travel tax.

The General Agreement on Tariffs and Trade, to which this country and its principal trading partners give allegiance, sanctions a few kinds of protection devices while banning most.

But if the United States tried to institute border taxes on imports, for instance, it would likely provoke complaints to GATT, which distinguishes among the kinds of taxes to be equalized. The U.S. system, under which an important part of the total tax levy is imposed by states and local subdivisions, is not exactly paralleled elsewhere.

In any case, much the clamor in Congress is for conceivably more drastic measures, such as quotas. Mills himself has introduced a textile quota bill, one of many such measures in behalf of a multitude of industries. Mills has not pushed his quota bill, but it does nothing to diminish his bargaining power with the administration.

Shortage of Drugs Just Pricing Issue

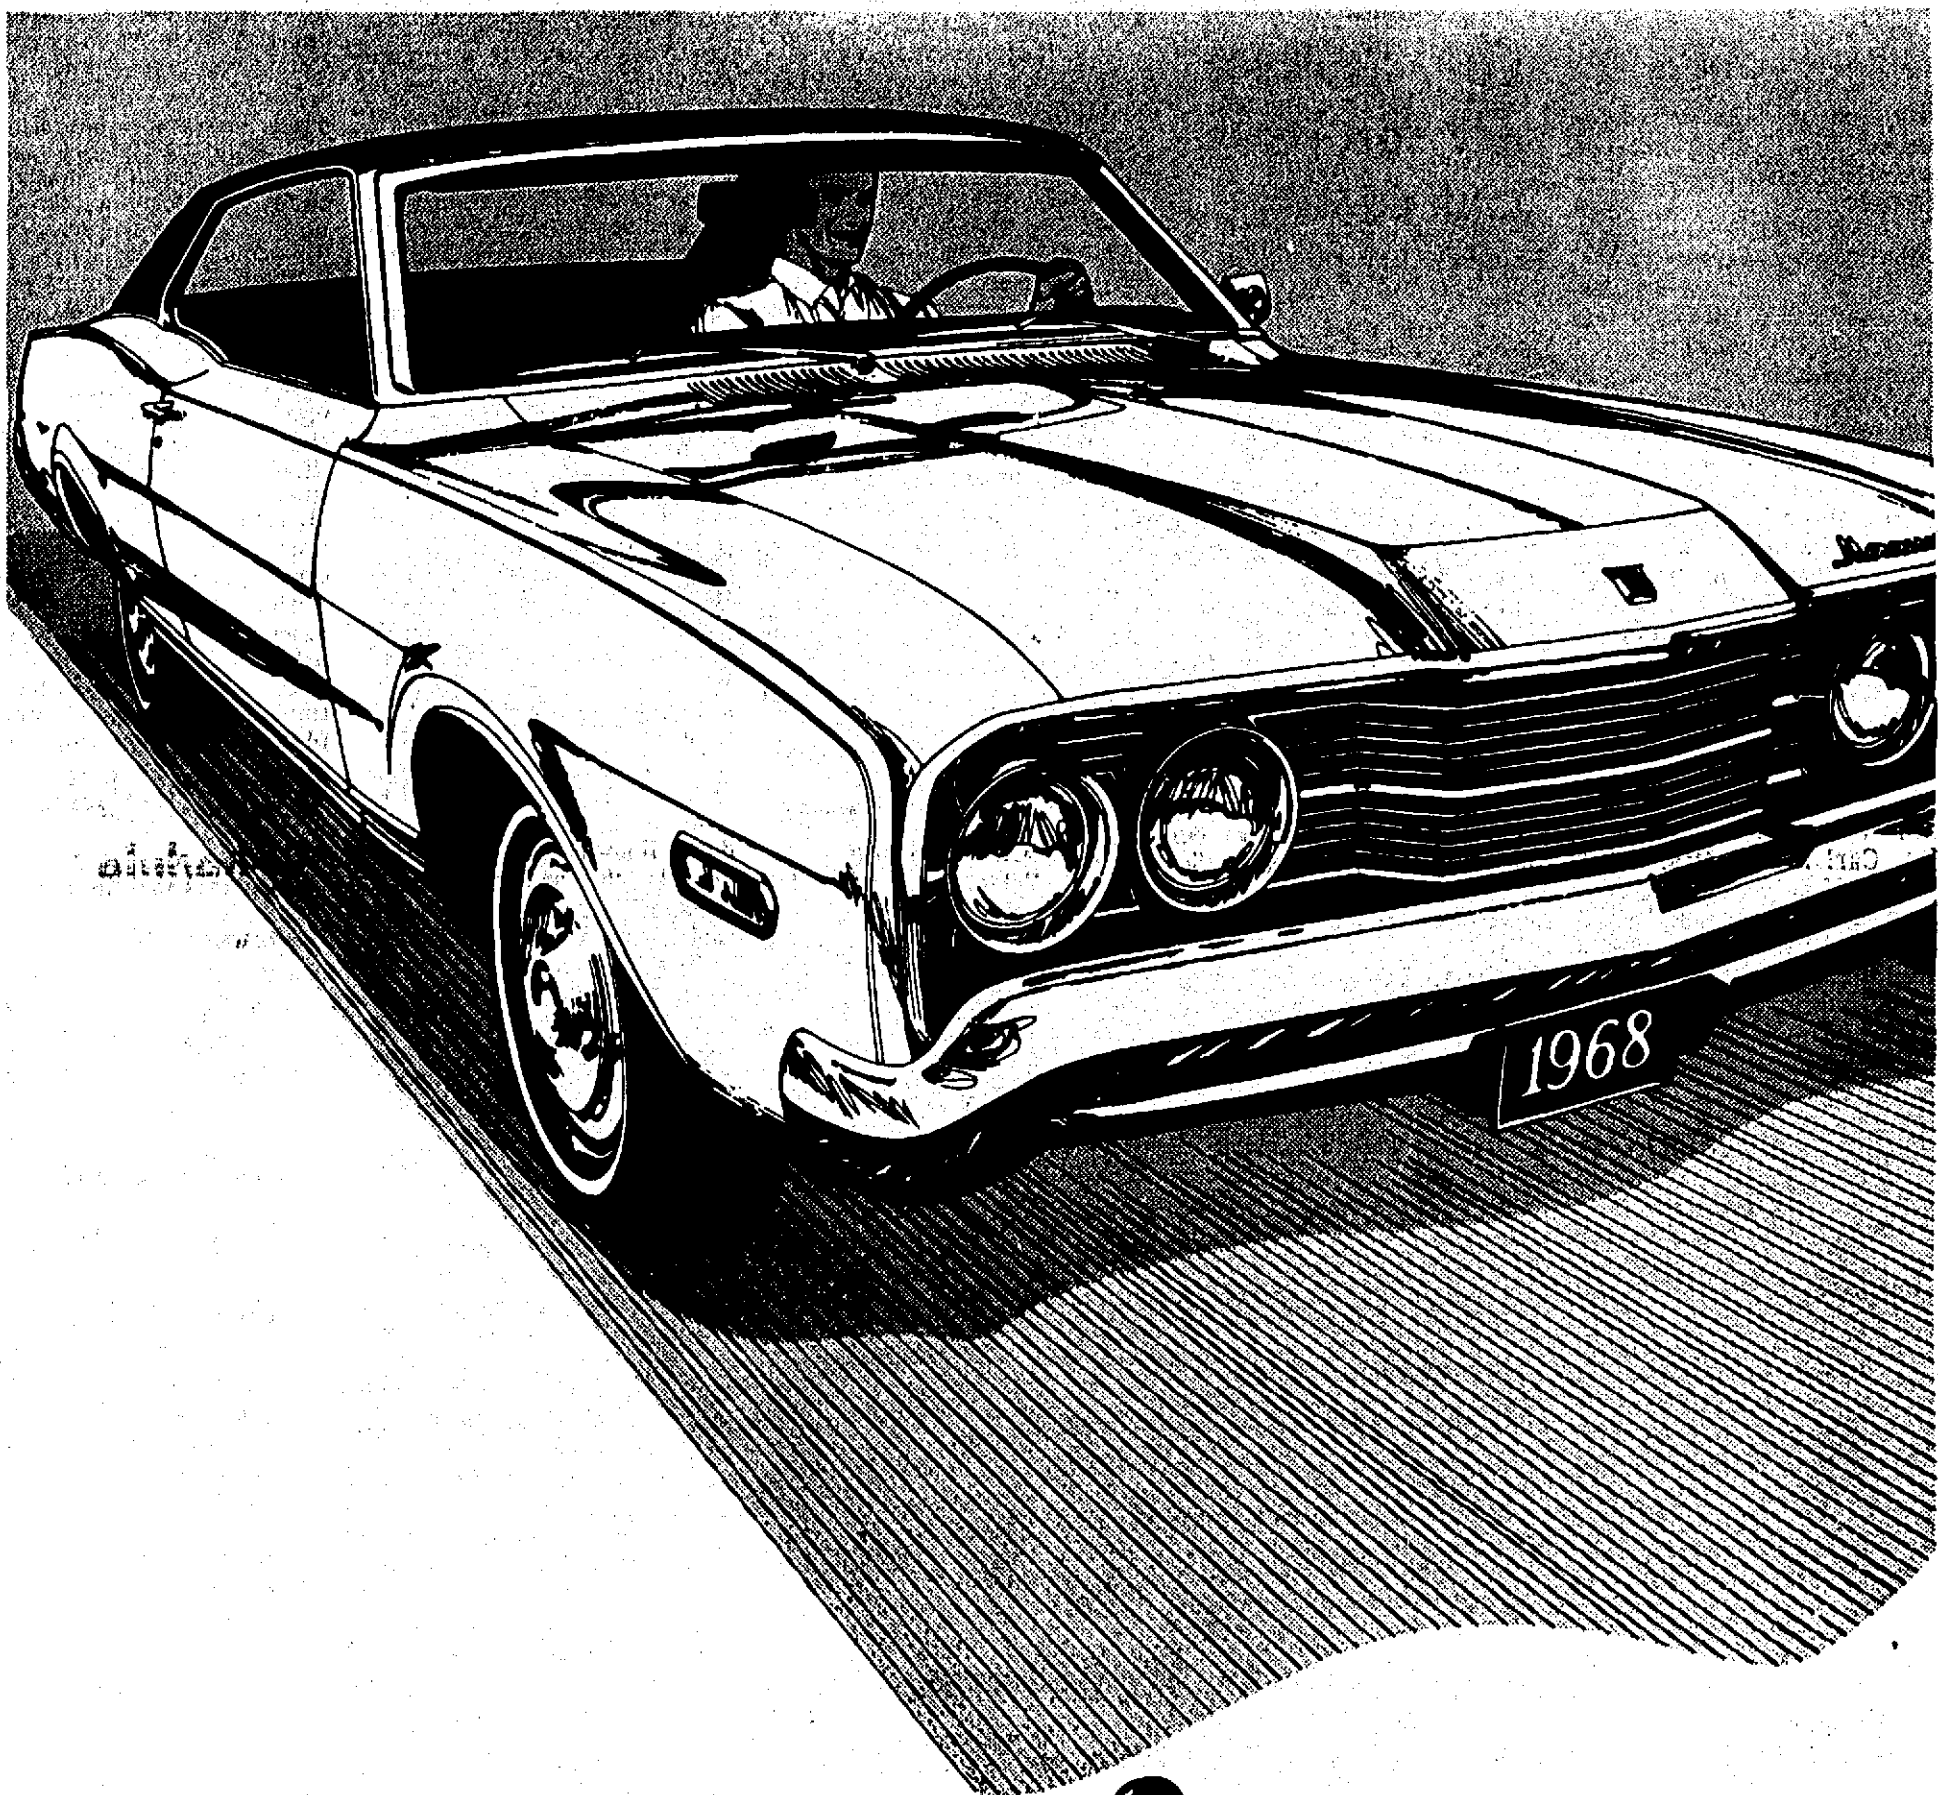

LITTLE ROCK (AP)—Officials of the State Hospital said Thursday that what appeared to be shortage of drugs at the hospital was a matter of pricing and that no drugs were missing.

The officials said there was an "overage" of drugs at the hospital rather than a shortage. The report was made during a meeting between the hospital board and Rep. Leon Holsted of North Little Rock.

Holsted, a member of the Legislative Audit Committee, has alleged a \$30,000 shortage in the drug department during the 1966-67 fiscal year.

Figures show that on June 30, 1966, the hospital had an inventory of \$56,135 worth of drugs and an inventory of \$189,901 in drugs at the end of the year according to legislative auditors.

The hospital bought \$437,735 worth of drugs during the year and dispensed \$334,377 worth to patients, according to figures. The records show that the hospital should have dispensed \$303,969 worth, but officials said that was where the matter of pricing figured in.

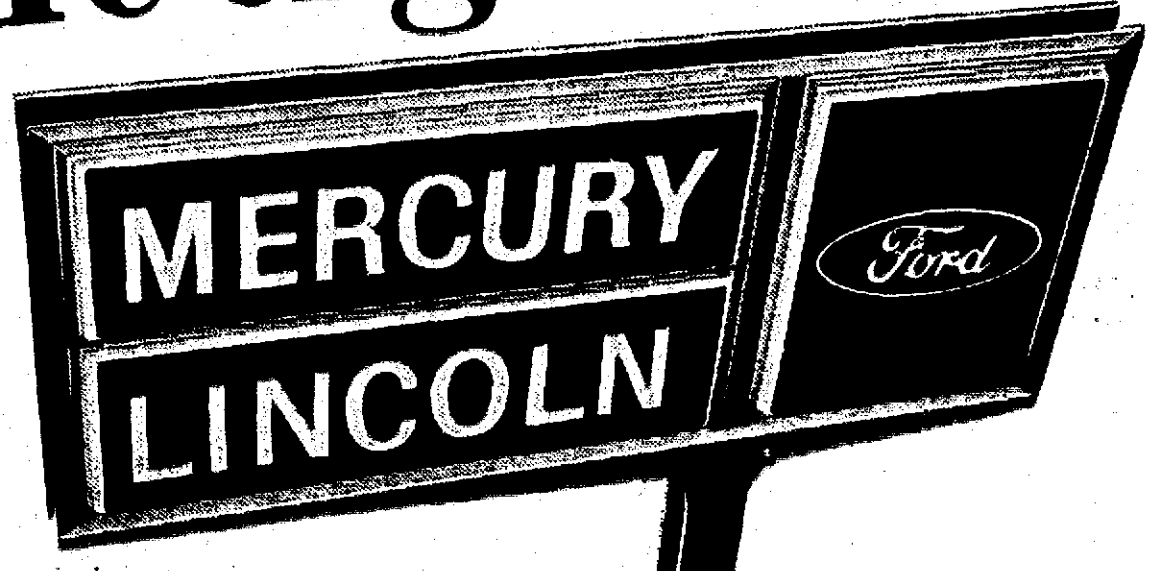

Montego

the measure of greatness

Bigger than Pontiac LeMans, Buick Skylark, and Oldsmobile Cutlass in everything except price!

Mercury Montego's longer wheelbase stands an ample 116 inches—4 inches longer than LeMans, Skylark and Cutlass. Montego's roomy 206.1" silhouette makes it the most impressive in its field. Trunk space? 20% larger! Interior leg room? Your whole family can pile in without feeling like a crowd. Power? Optional Marauder 390 cu. in. V-8 engine is one of the largest offered in its price class. Only Montego can give you Cougar handling excitement plus room to spare at a price below that of competition! Get the car with the measure of greatness...get the great new Mercury Montego for 1968!

Houston's Hayes Adds to Record

By TED MEIER
Associated Press Sports Writer

Elvin Hayes, the Big E, whose All-American play snapped UCLA's 47-game winning streak last month, has put his name in another niche in the college basketball record book.

The 6-foot-8 star of top-ranked Houston threw in 44 points and grabbed 21 rebounds to pace the unbeaten Cougars in a 130-75 romp over Arlington, Tex., Thursday night.

His performance not only helped the Cougars to their 25th straight, 24 this season, and to their 54th in a row at home, but made the Big E the third leading career scorer in the record book for a three-year period.

In moving up to third place with a career total of 2,525 points, 855 this season, Hayes passed Elgin Baylor's 2,500 at Seattle and Bill Bradley's 2,503 at Princeton. He needs only 14 more points to pass Frank Selvy's 2,538 at Furman.

Oscar Robertson is No. 1 on the career scoring list with 2,973 during his undergraduate days at the University of Cincinnati. Dickie Hemric of Wake Forest is listed as second, but he needed four years for his 2,587 points.

Ron Sanford, another 6-8er, tallied 34 points to lead the seventh-ranked New Mexico Lobos over Arizona 102-74 before 14,855 at Albuquerque. It was sweet revenge for the Lobos, who had their 17-game winning streak snapped by Arizona several weeks ago.

Duke's eighth-ranked Blue Devils, the only other team in The Associated Press Top Ten to see action, overcame a slow-down by Wake Forest and beat the Deacons 50-41 at Winston-Salem, N.C.

The Fighting Irish of Notre Dame beat NYU 70-67 in New York's new Madison Square Garden and accepted a bid to the NIT postseason tournament after the game. The Irish, now 16-8, join Army, Fordham and Oklahoma City as the only teams picked so far for the 14-team NIT field.

Oklahoma City, paced by Rich Travis' 32 points, scored a 78-74 home court victory over Hardin-Simmons. Bradley, also playing at home, kept alive its hope of a tie for the Missouri Valley Conference title by whipping Tulsa 85-67.

In other home court triumphs, Wyoming took Arizona State 91-86, Furman edged Clemson 66-64 in overtime, Massachusetts downed Rhode Island 76-68, George Washington beat Georgetown, D.C., 65-61, and Miami of Ohio defeated Xavier of Ohio 55-52.

On the road, Syracuse whipped Colgate 80-72, Holy Cross nipped Connecticut 86-85.

Hope Girls Win Again at Prescott

By RALPH ROUNTON
Star Sports Writer

Bursting forth with a torrid offensive effort, the Hope Lady Cats strode into the State Class A semifinal round with a 68-50 rap of Leslie last night at Prescott.

Now boasting of a 24-5 record, the Lady Cats vie for the right to enter the state finals tonight at 8:20 p.m. against surprising Greenwood. In the other semifinal Ashdown and Alma meet at 7:00 p.m. But the Hope girls had their hands full with Leslie for quite a while.

Once again starting with a surge, the Lady Cats stood off a fantastic performance by Leslie forward Maybelle McEntire. Maybelle fired in the first 15 points Leslie scored, and actually kept the game from being an early rout. Meanwhile Carol Anthony was amassing 11 points for the Lady Cats, and Hope led 19-12 at the quarter.

Here Leslie made their only charge, as they outlived the Lady Cats 13-3 while slipping into a 25-22 advantage before the Lady Cats called time out with 2:59 left in the half.

After that break, though, Hope went wild, knocking in eight straight points for a 30-25 margin at halftime. Throughout the third quarter the Lady Cats were able to score, but Leslie still matched the Ladies for every field goal. So this put Hope in a slimy 46-40 lead after three periods.

But when the Lady Cats needed the more comfortable lead toward the end, they finally settled down and problems became a thing of the past. Once again the Hope guards allowed very little, and the forwards continued their balanced barrage to get the win. And they closed like champions, scoring a new high for this tournament.

Tonight against Greenwood the Lady Cats will be meeting a tough opponent with a 26-6 record. The game will not start until 8:20 p.m., but in order to get a good seat the Hope fans are advised to make it to Prescott, weather permitting, for the first game at 7 o'clock. KXAR will broadcast the Hope-Greenwood game, beginning shortly after 8:00 p.m.

Fastest Stock Car Racing Set Today

DAYTONA BEACH, Fla. (AP) — The fastest stock car racing field of all time battles through a pair of 125-mile events today with potential danger riding their sleek plastic skins and extra wide tires.

No one knows how they will fare at the greatly increased speeds, but for the \$200,000 prize money dangling at the end of Sunday's 10th annual Daytona 500, the drivers will go their fastest. Today's finish determines Sunday's start, the first race finishers lining up on the inside and second race finishers on the outside.

An eight man Ford-Mercury factory team headed by pole sitter Cale Yarborough of Charlotte, N.C., and a Plymouth Road Runner in the hands of Grand National champion Richard Petty of Randleman, N.C., should produce the winners today and Sunday unless the unprecedented speeds bring a repeat of the 1961 rash of accidents in preliminary races.

SOLUNAR TABLES

By Richard Alden Knight
The schedule of Solunar Periods, as printed below, has been taken from Richard Alden Knight's SOLUNAR TABLES. Plan your days so that you will be fishing in good territory or hunting in good cover during these times. If you wish to find the best sport that each day has to offer.

The Major Periods are shown in boldface type. These begin at the times shown and last for an hour and a half or two hours thereafter. The Minor Periods, shown in regular type, are of somewhat shorter duration.

Use Central Standard Time.

Picture Clearing in Girl's Meet

By RALPH ROUNTON
Star Sports Writer

Action settled down yesterday in the State Class A Senior Girls tourney at Prescott, but one upset of sorts was pulled off.

In a surprise, Alma won their way to the semifinals with an easy 49-40 win over favored Mt. Ida, who had entered the game with a 20-1 record. Tonight Alma meets Ashdown, who had some worries before subduing Tuckerman 55-44.

Greenwood continued to astound the fans, the latest coming in their 41-36 win over Star City. Star City, playing fine ball, led from the start and worked up a 31-21 cushion midway in the third quarter. At this point, however, the proud Greenwood girls came back to earn a battle with the Hope Lady Cats tonight. The Lady Cats put on a fourth-quarter

let splurge to eliminate Leslie 68-50.

3 Arkansans Shooting Well
TUCSON, Ariz. (AP)—R. H. Sikes of Springdale, Dick Crawford of Bella Vista and Miller Barber of Texarkana are among the leaders as the \$100,000 Tucson Open Golf Tournament swings into the second round today.

"I'm a little speechless," said McGee, after he holed a birdie

McGee Has the Lead at Tucson

By STEVE BASSETT
Associated Press Sports Writer

TUCSON, Ariz. (AP)—Jerry McGee, carrying a two-stroke lead into today's second round of the \$100,000 Tucson Open Golf Tournament, behaves just like a 23-year-old second-year pro.

He watched the scoreboard the good part of his fine round on Thursday.

He scrambled like crazy on some holes just to save a par.

He was almost speechless after finishing with a seven-under-par 33-32-65.

And he expressed surprise when he learned he was the first-round leader.

McGee, a 150-pounder from New Lexington, Ohio, carded seven birdies and not a single bogey as he humbled the 7,200-yard par 72 Tucson National golf course.

"I'm a little speechless," said McGee, after he holed a birdie

Friday, February 23, 1968

putt on the 18th hole to carry a two-stroke lead over Dean Beman, 35-32-67, into today's play.

A stroke behind Beman at four-under-par 68 were Steve Oppermann, Bruce Crampton, Dave Stockton and John Lotz.

Defending champion Arnold Palmer shot two-over 36-38-72 Thursday, nine strokes off the pace. He had trouble from tee to green over a course which gave him little trouble a year ago.

Area 13 Play Goes Into Semifinals

The Area 13 tournament Emmet goes into the semifinals tonight and the championship game is slated for Saturday.

Here's last night's results: Waldo 78- McMillan 51
Ellis of Stamps 100 - Lewisville 54
Amity 77 - Westside 61
Bumham 52 - McRae 69

America had 1,092 stakes races in 1967, compared to England with 186, France with 173, Italy with 101 and Ireland with 41.

No limit on months. No limit on miles. No limit as to roads. No limit as to speed. For the life of the tire, we will repair, replace or refund the cost of a new Goodyear tire of equal or better quality. This guarantee does not extend to tires used on trucks, racing tires and tires stamped "Stump" or "M." IF A GOODYEAR TIRE FAILS UNDER

THIS GUARANTEE any of more than \$8,000 Goodyear dealers in the United States and Canada will act on option, either repair or refund allowance on a comparable new tire based on original tread design depth remaining and Goodyear's printed "Recommended Price for Adjustment" current at time of adjustment, which price will fairly represent the actual retail selling price of the comparable tire at time of adjustment.

NEW AERIE for the stone eagles that graced New York's Pennsylvania Station from 1904 until it was torn down for the new Madison Square Garden complex. The eagles have been returned to the area and will guard this tall building that forms part of the new complex.

Boston Looks to Russia for Stimulation

OAKLAND (AP) — Ralph Boston, a gold and silver medal winner in the 1960 and '64 Olympics, is looking to the stimulation of Russian competition to place him high in the National AAU Indoor Track and Field Championships tonight.

The meet has lured nearly 400 of the United States' best indoor athletes, plus stars from Russia, Finland, Greece, Britain and Yugoslavia, for its two-day and night stand in the Oakland Arena.

The long jump field in this country seldom varies, Boston remarked. "You face Bob Beamon, Gayle Hopkins every weekend and it reached a point where it doesn't matter how you fare against them. You know you'll meet them again."

"But bring in people like the Russians and you're stimulated. Now that I've grown older, it takes a lot more to get me up for a meet. The stimulant now is international competition. And I like the Oakland Arena. It has the best long jumping facilities in the world."

Beamon, who recently leaped 27-1; Hopkins, and Russia's Tony Lepik, who has gone 26-6 1/4, are among 14 long jump entrants here.

Foreigners giving this national event an international flavor include pole vaulters Gennady Bliznetsov of Russia, Chris Panagoulis of Greece and Risto Ivaroff, Ahti Alarotu and Erkki Mustakari of Finland; Neill Duggan of Britain, a 3:56 miler going for Southern California in the two-mile relay, and Dragan Andjelkovic of Yugoslavia in the high jump.

Two Veteran Relievers Not Too Chipper

By DICK COUCH

Associated Press Sports Writer

Baseball life begins at 40 this season for Erroy Face and Stu Miller, but neither veteran relief pitcher was feeling too chipper today.

Face, longtime Pittsburgh bullpen ace, was grounded Thursday by an antibiotics reaction that has bugged him since the Pirates opened their spring camp at Fort Myers, Fla., four days ago.

Miller, meanwhile, signed his 1968 contract with Baltimore — and took a reported \$5,000 pay cut from his \$40,000-plus salary of last season.

Jim Lonborg, hard-luck pitching ace of Boston's American League champs, also received a setback when it was determined he isn't recovering from recent knee surgery as quickly as had been expected.

The Cy Young Award winner underwent an operation last Dec. 27 to repair torn knee ligaments suffered in a skiing mishap.

The Red Sox announced the signing of five 1967 standouts — infielders George Scott, Rico Petrocelli, Jerry Adair and Dalton Jones, and relief pitcher John Wyatt — leaving three players outside the fold. All five signees received pay raises.

At Tampa, Fla., however, Cincinnati batterymen began workouts with four starting pitchers — Jim Maloney, Milt Pappas, Mel Queen and Gary Nolan — among the missing.

Other signees included infielder Tony Perez, Reds; pitcher Dick Farrell, Phillies; infielder Felix Millan, Braves; infielder Tim Cullen, White Sox, and pitcher Jim Ollum, Twins.

Minnesota southpaw Jim Kaat, who tore ligaments in his pitching arm on the next-to-last day of the 1967 season, threw for 10 minutes at the Twins' Orlando, Fla., camp and said his elbow felt tight.

And Carl Yastrzemski, the AL's Most Valuable Player last year, got left at the gate. The Red Sox's slugger and his family arrived at Boston's Logan Airport an hour early for a 10 a.m., EST, flight to the team's Winter Haven, Fla., base — and then was told there was no room for him on the plane.

The Yastrzemskis waited three hours for a later flight and finally arrived in Winter Haven Thursday afternoon — still well ahead of Yast's March 1 reporting date.

Goalie Picks Wrong Time, Wrong Place

Goalie Roger Crozier picked the wrong time to be in the wrong place — and another desperate hour ended in instant grief for the hapless Detroit Red Wings.

Boston's Johnny Bucyk scored with one second to play and Crozier 15 feet out of his cage Thursday night, giving the Bruins a 3-2 National Hockey League victory over Detroit.

The last-second victory sent the Bruins past the New York Islanders to third place in the East Division. The loss dropped the last place Red Wings 15 points out of playoff contention.

Montreal edged St. Louis 2-1 for its eighth straight victory and Philadelphia slammed Minnesota 7-3 in the only other games on the NHL schedule.

Bucyk drilled his 25th goal into a wide-open net after Crozier stumbled while trying to clear a carom off the backboards and wound up on his knees to the side of the cage.

Gordie Howe scored his 28th and 29th goals for the Wings. Johnny McKenzie and Phil Esposito also connected for the Bruins, who lead New York by one point and trail second-place Chicago by three.

The Canadiens squeezed past stubborn St. Louis on second-period goals by Gilles Tremblay and rookie Jacques Lemaire. Craig Cameron scored for the Blues late in the final period, but Montreal goalie Rogatien Chachon held them off in the closing minutes.

Montreal has won 20 of its last 21 starts and leads the East by eight points.

QUICK QUIZ

BLONDIE

Q—What did the Sphinx do when her riddle was solved?
A—When Oedipus solved her riddle, the Sphinx was so enraged that she hurled herself from the cliff outside the city of Thebes on which she lived, and was killed.
Q—From what material are Victoria Crosses made?
A—These most highly prized of all British military decorations are made from metal taken from guns captured in the Crimean War of 1854-1856.

...Keep Plodding

That's the spirit of the turtle. But he must not be kept from the race if there is to be a winner. God planned so wisely in setting us in a world of competition. *No one runs his best without a competitor.* We raise better corn when our neighbor tries to outdo us. Every church is better because of the church across the way. Catholics work harder and are more devout because Protestantism appeared. The Jewish polity strives, with all of us, toward a better society under God. God wants progress from all. *Sometimes the faithful plodder, like the turtle, is a greater inspiration than one with more ability.* May our pastor and our church grow into greater forces for good because of the faithful attendance and support of every member. May we keep plodding in wholesome competition.

Red River Tech School Facilities Are Used by Many Groups

This Adult Education class meets Tuesday and Thursday nights and those attending are studying to take a high school equivalency exam. This class of 29 is co-sponsored by the State Department of Education and Hope Public Schools.

— Hope Star Photos
JAMES H. HARDING, guidance counselor of Hope public schools, instructs the Adult Education Class.

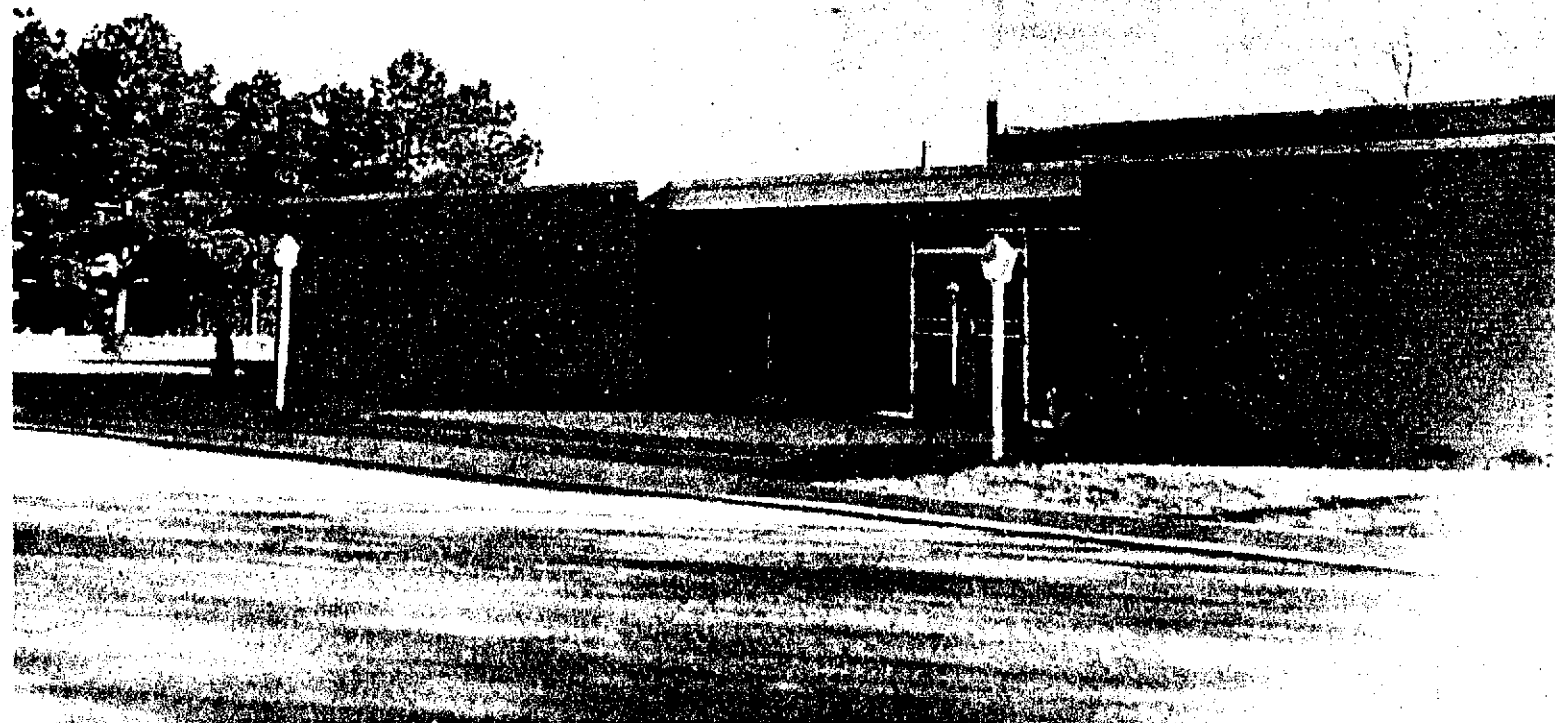

BILL CLUCK, personnel director, Dierks Forests, Inc., DeQueen, conducts a Personnel Management session on "Understanding and Motivating Personnel". This is one of six sessions which will end February 27.

RICHARD WEAVER, training administrator, Arkansas Hospital Association, conducts a 42-hour supervisory course for hospital employees.

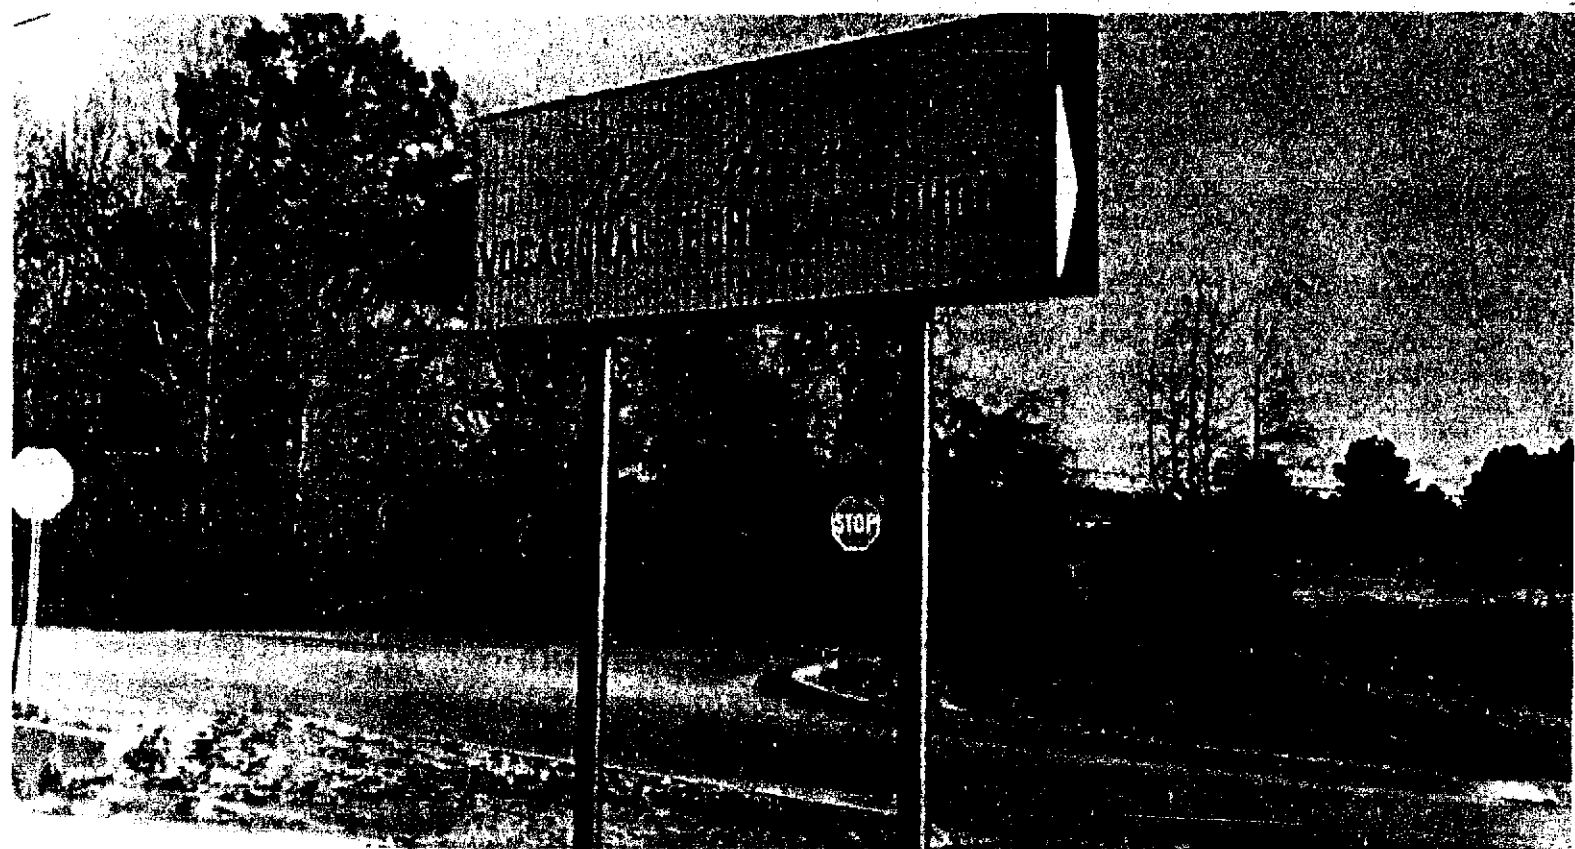

Class in personnel management representing supervisors from Hope, Magnolia, Okay, Prescott, Nashville and Haynesville, La. This class is sponsored with the Distributive Education Section of the State Department of Education. There are 41 persons taking the course.

This shows the main administration building at Red River Tech School.

Supervisors from Hope, Hot Springs, Camden, El Dorado, Nashville and Texarkana learn techniques of supervision. In addition the Southwest Arkansas School, Red River Vocational Technical School has helped instruct classes at the Medical Center, Little Rock, Washington County General Hospital, Fayetteville and Cherokee Village at Hardy.

Red River Vocational Technical facilities are used by many organizations in various phases of learning and education as evidenced by the classes being conducted in pictures on this page. The school, directed by J. W. Rowe, has quickly established itself in this area as being dedicated to all phases of education in addition to vocational.

More Protection Needed for Crews of the Airlines

Incredible as it may be it seems that stealing a major jet airliner is considerably easier than making off with less trickier vehicles such as a stage coach, bus, or train.

You read the latest development on this page yesterday. A Delta DC-8 jet had just taken off with 109 persons on a flight from Miami to Chicago when a man entered the cockpit and ordered the pilots to head for Cuba. He was in a position to enforce the order for he had brought with him a stewardess and was holding a gun to her ear.

The pilots obliged the gunman, altered course, and set the big ship down at Havana. The hijacker got off, and Cuban authorities permitted the DC-8 to fly back to the U.S. with its passengers.

For all its drama this is dangerous business. Had the pilots resisted and gotten into a fight the DC-8 might well have gone down with all 109 aboard. How can the traveling public be protected against such insane risk?

Actually it's a matter of protecting the airline crews so they in turn can protect the passengers. There is no ready answer, principally because in an airliner's pressurized cabin you can't resort to gunfire without running the risk of rupturing the body of the ship — a known fact on which the hijacker was trading.

There is an informality about airline travel which further complicates the problem of protecting the crew from an occasional haywire passenger. Airline custom and procedure follow the tradition of the sea. Just as a ship's captain may invite passengers to inspect the bridge, so do airline pilots at times permit passengers to inspect a plane's cockpit.

I got such an invitation once aboard an old propeller ship, a DC-7, flying on National from New Orleans to Tampa. Usually there is a reason for the invitation from the cockpit. A year earlier I had flown the same route with the same captain, and half an hour out of New Orleans we were ordered by the Coast Guard to leave course and strike out over the Gulf of Mexico to hunt for an old Venezuelan DC-4 which had reported she was on fire. We found the DC-4, but she had extinguished the fire and was limping back to New Orleans with two dead engines on the starboard side.

I photographed the ailing airliner, dispatching the film to The Associated Press at New Orleans for processing and possible use. But it was Sunday, with only a skeleton crew at the AP office, and someone fouled up the development of the film. AP never used the pictures, but returned the damaged film and prints to me at Hope. And so a year later, flying with the same National captain, I was invited to the cockpit to show the skipper the pictures he had never seen — for I had taken along the film and prints against this very possibility.

My story illustrates how vulnerable all transport, whether surface or air, is to a potential hijacker. Strict identification of all passengers might be helpful. But the traveling public wouldn't like it. Fortunately the transport crews' chance of meeting up with a hijacker is probably one in a million travelers.

Cockrill Won't Oppose Britt

LITTLE ROCK (AP) — House Speaker Sterling R. Cockrill Jr. of Little Rock said Thursday that he had turned down two offers to run for lieutenant governor on the Democratic ticket in recent weeks.

Cockrill said he would not oppose Republican Lt. Gov. Maurice Britt because of their friendship.

"To me personal friendship goes beyond political gain," Cockrill said. "Lt. Gov. Britt has been a longtime friend of mine. I hope 'Footsie' Britt and I will be personal friends for a long time to come."

Cockrill said one group wanted him to run on the ticket with former Gov. Orval Faubus. He said the other group that approached him did not tell him who the gubernatorial candidate would be.

Board Moves to Muzzle Murton

LITTLE ROCK (AP) — The Pine Bluff Commercial reported Thursday that the state Penitentiary Board has moved to tighten its control over Prison Suplt. Thomas O. Murton.

According to the newspaper article, Murton will no longer be allowed to undertake any basic innovations at Cummins or Tucker Prison Farms without prior board approval. The article also says that the state Purchasing Department will receive no purchase orders from the penitentiary until they are approved by the board's chairman, John H. Haley of Little Rock.

The Commercial reports that the board also decided that the prison would grow cucumbers and okra again this year and the inmates at the Women's Reformatory at Cummins would not be permitted to attend the inmate dances at Tucker in the future unless the law prohibiting such contact between male and female inmates is altered.

The Commercial said the board took the action at two secret board meetings the week of Feb. 12.

Murton has said frequently that the rehabilitative value of "picking okra and pickles" is almost nil.

Haley was quoted by the Commercial as saying that the board decided Feb. 14 to require Murton to submit proposed changes to the board before initiating them.

"It was generally agreed that the board had better assume a more active role in management that it has ever done before," Haley said.

Haley said Murton's authority to make changes was not the major topic of the board's discussion. He said the board was principally concerned with certain purchases, "of food items, fresh fruit for example" — in which the prison "appeared to be overspending." Haley said cucumbers and okra would be grown because they produce high income.

Dr. William P. Lytle of Clarksville, one of four men Gov. Winthrop Rockefeller appointed to the board Jan. 14, said he didn't think the board took any action that was indicative of criticism of Murton.

Armored Car Is Casualty

SALT LAKE CITY (AP) — Salt Lake County Assessor Earl M. Baker complained Thursday about an \$800 budget cut enacted by county commissioners. It deletes provisions for armored car service.

Although Profitable, Sex Symbols Seem to Grow Weary of Role

By HAL BOYLE
NEW YORK (AP) — Hollywood sex symbols almost always weary of being mere sex symbols, profitable though their jobs may be.

After appearing on some 400 magazine covers, Raquel Welch, who has received one of the biggest glamor girl build-ups since Marilyn Monroe and Jayne Mansfield, has reached this point.

"Being thought of as nothing but a glamor girl is my biggest hate right now," said the shapely, brown-haired star. "It seems to be synonymous with being empty headed."

Miss Welch's pert head is full of canny wisdom. With the skilled aid of her personal manager and second husband, Pat Curtis, a former press agent, her career was launched with all the methodical spontaneity with which a new filter type cigarette is introduced.

The one-time San Diego beauty queen in three years has wowed Europe, made nine movies, and soon will appear with Frank Sinatra in "Lady in Cement."

In her earlier pictures — they range from "Fantastic Voyage" and "One Million Years B.C." to "Bedazzled" and "Bandeirero" — she has worked with such leading men as Marcello Mastroianni, James Stewart and

Proposed \$10 Billion Assault on Urban Ills Is Finding Support

WASHINGTON (AP) — Key Democrats on Capitol Hill have pledged support for President Johnson's proposed \$10.4 billion assault on urban ills, echoing his warning that immediate action is needed if the nation's big cities are to be revitalized.

Chairman John J. Sparkman, D-Ala., of the Senate Banking Committee, which will handle the package of urban legislation Johnson proposed Thursday, said "there is no time to lose in rebuilding our cities."

"Today's challenge is an urgent one," said Sparkman. "We retreat or hesitate at our own peril."

Calling the proposals a "prescription which could avoid the illness known as the death of our cities," Rep. Carl Albert, D-Okla., House Democratic floor leader, added:

"This prescription may not guarantee that riots will never again occur in congested, deteriorated, segregated urban areas, but it does demonstrate that the nation cares about the future of the cities and the future of the people who inhabit them."

Albert suggested an argument sure to hit home with many big-city Congress members in this election year when he said anyone "who votes to cut or obstruct urban programs today must bear in his conscience the riots and disturbances of tomorrow."

Johnson's program, unveiled at the Texas White House, embraces legislation in the fields of housing, antipoverty, transportation and riot insurance.

He called it an attack on "the crisis of the cities" and labeled its keystone a 10-year program of building 26 million new housing units through a government-private co-operative, cost-sharing arrangement.

In other main points: — Establishment of a congressional chartered corporation to reinsure policies granted by private insurance companies in so-called riot-prone areas.

— Removal of the 6 per cent interest ceiling on mortgages guaranteed by the Federal Housing Administration and the Veterans Administration. Johnson said this would generate more private purchasing of such mortgages, thus freeing more loan money for home buyers.

This proposal drew opposition from Chairman Wright Patman, D-Texas, of the House Bank and Currency Committee, who said it "will work a tremendous handicap on low-income and moderate-income families throughout the country."

— Convert the federal-private Federal National Mortgage Association into a fully privately

owned corporation, thus ridding it of government budget restrictions in providing a secondary market for mortgages.

The over-all program includes \$2.18 billion for antipoverty projects; \$1 billion for the model cities program; \$362 million for housing; \$750 million for urban renewal; \$180 million for federal aid to mass transit systems and \$85 million in federal grants for metropolitan planning and housing programs.

It also calls for \$2 billion for model cities for two years after the 1969 fiscal year beginning July 1; \$2.14 billion for housing programs for four additional years; \$1.4 billion for urban renewal and \$230 million for mass transportation to carry on each program one additional year.

Chairman William A. Barrett, D-Pa., of the House housing subcommittee promised his panel would hold early hearings on the urban proposals and predicted overwhelming congressional support.

Johnson's package was called "a fresh and imaginative approach" by Lloyd E. Clarke, president of the National Association of Home Builders.

Arthur Stretch today authorized the Hope Star to announce his candidacy for the house of representatives from the 34th district of Arkansas (Hempstead County) subject to the Democratic primaries of July 30th, 1968.

In making his announcement, Mr. Stretch said, "In order that my many friends and supporters may know, and in answer to many inquiries from throughout Hempstead County, I feel it is timely to announce my candidacy now."

"To the hundreds of workers who worked so diligently two years ago in my behalf for the same office, and to the nearly 2,500 voters who gave me their vote and confidence, may I say a very gracious 'Thank You'. I promised each of you at that time that we would begin then to lay the groundwork for a more successful campaign this summer. This we have done. We are now ready to finalize our efforts for the campaign ahead. Each of you will play a very vital role in carrying our story to the people of Hempstead County."

"We want to inform the voters, for instance, that Arthur Stretch will pledge to work in complete harmony with any governor of the people's choice we believe it is to be essential that the legislative branch of our government work in harmony with the executive branch for the good of all the people of Arkansas."

"It will be my intention, if elected as your representative, to make myself available to all the voters of Hempstead County to discuss with them all matters of a legislative nature. I would plan, during any legislative session, to be in my Hope office every Saturday morning to discuss pending legislation with interested individuals and groups from Hempstead County."

"In the weeks ahead I will make every effort to see each and every one of you and I invite each of you to contact me regarding any matter of concern that you may have."

Rep. Mills Controls Tax Panels

By EDMOND LEBRETON

Associated Press Writer

WASHINGTON (AP) — President Johnson's proposed tax on American travel outside the Western Hemisphere has a big plus behind it that his income tax like proposal lacks: the support of Rep. Wilbur D. Mills.

But the Arkansas Democrat and chairman of the House Ways and Means Committee—who steers that tax-writing panel according to his own economic views and not necessarily the White House—may exact a price for his support: the administration finds steep.

Mills has told associates there is no chance of corraling the House votes to pass a foreign travel bill unless it contains some attractions for members worried about competition that imports pose for products of their districts.

The push in Congress for quotas on imports or other similar devices worries the advocates of international trade, with minimum restrictions. This has been the proclaimed goal of U.S. policy from the days of Franklin D. Roosevelt and Cordell Hull.

Today tariffs have been bargained down until they are relatively insignificant and the United States was believed ready to tackle next the non tariff barriers to trade—quotas, border taxes, export subsidies and the like.

But the chronic U.S. deficit in international payments has strengthened the hand of those advocating protection of U.S. industries in the domestic market.

This is true even though the United States has maintained a surplus of exports over imports. The payments deficit resulted from other factors, such as tourism, spending, investment abroad and government military and aid outlays.

The administration has promised recommendations to improve the U.S. trade surplus as part of the larger program, for

State Prison Budget Has Increased

LITTLE ROCK (AP) — Legislative auditors reported Thursday that the budget for the state prison system had increased almost \$500,000 in the 1967-68 fiscal year compared to the previous fiscal year.

The increase in spending coincides with Gov. Winthrop Rockefeller's move to replace armed trusty convicts with paid "free world" guards.

The Legislative Joint Auditing Committee auditors said Thursday that there were 33 paid employees at Cummins Prison Farm and six at Tucker Prison Farm at the start of 1967. The auditors said that last month there were 66 employees at Cummins and 33 at Tucker.

The penitentiary payroll in fiscal 1966-67 was \$167,100. The 1967 legislature provided a salary budget of \$645,850 for the current year and the same amount for fiscal 1969.

Heavy Snow Forecast All Wrong

By THE ASSOCIATED PRESS

The heavy snow forecast for Arkansas Thursday failed to materialize although some light snow fell this morning in southern portions of the state.

Little relief is seen from the cold weather that is gripping the state and temperatures for the next five days are expected to average four to 10 degrees below normal.

Skies are expected to remain partly cloudy through Saturday and no precipitation is forecast.

High temperatures Thursday ranged from 37 at El Dorado to 25 at Little Rock. Overnight lows ranged from 13 at Calico Rock and 17 at Batesville to 30 at Texarkana.

There was no rainfall reported for the 24-hour period ending at 6 a.m. today.

50,000 Guards May Be Called Up to Bolster the Nation's Defense

WASHINGTON (AP) — About 50,000 National Guardsmen and Marine reserves would be called up under a plan tentatively proposed by the Joint Chiefs of Staff to bridge a Vietnam war-caused home forces manpower gap.

But in sketching details of the JCS plan, sources said Thursday night it is only one of a number of options being considered to reinforce U.S.-based forces depleted by the war's needs for troops.

The sources said the JCS proposal—which also calls for putting on alert another 130,000 or so reservists for possible later call-up—may differ from proposals by the Army and the other services for solving the problem.

National Guard sources said they anticipated a call-up of up to 90,000 Guardsmen and reservists, but other sources discounted such an estimate as premature.

April Draft of 48,000 Is Ordered

WASHINGTON (AP) — The Pentagon today ordered the drafting of 48,000 men in April, the highest such monthly call in nearly 2½ years.

The April call will provide about 4,000 men for the Marines, the first time in about two years that the Corps has drawn on the draft.

More Troops Thrown Into Fight for Hue

By GEORGE ESPER

Associated Press Writer

SAIGON (AP) — North Vietnamese threw a new battalion of troops at Hue's Citadel Thursday and on another front sent their heaviest artillery barrage in two weeks thundering down on the U.S. Marine combat base at Khe Sanh.

Military spokesmen said the Communist battalion of perhaps 500 men stormed the northwest wall of the 1½-mile-square Citadel in Hue in an attempt to reinforce the besieged Communist troops inside the fortress.

South Vietnamese officers in Da Nang said government forces counterattacked and drove the enemy off killing 223 Communist troops. They said South Vietnamese casualties were light.

With the battle for Hue in its 24th day, U.S. military spokesmen said the North Vietnamese and Viet Cong are "very desperately trying to reinforce" the Citadel, where an estimated 350 or more Red troops hold part of the southern wall and the adjoining palace compound where Vietnam's emperors lived in the 19th century.

The U.S. spokesman said the government troops were reacting quickly and effectively and killed another 126 enemy troops in a series of six lesser clashes most of them holdouts or infiltrators in the northwest section of the fortress. Government casualties again were termed light.

Vietnam Press, the government news agency reported that two companies of South Vietnamese marines captured one gate of the inner walled palace just inside the outer south wall. The Communist command post is reported to be inside the inner palace grounds.

U.S. Marines reported killing 21 Communist troops in clashes Thursday as they secured the east wall of the Citadel. But AP correspondent George McArthur reported from Hue that the Communists in strength still held the east bank of a canal running parallel to the east wall.

Just to the north and west of Hue, more than 1,000 U.S. air cavalrymen and paratroopers were fighting a running battle to block Communist reinforcements and supplies headed for Hue.

The U.S. Command reported that the American force had killed 163 enemy troops in the past two days and captured 92 gas masks apparently consigned to the Communist forces in Hue, where the Marines have been using tear gas on enemy positions. Twelve Americans were reported killed and 137 wounded in these operations.
